Install Peanut

Amateur radio software by PA7LIM

1 **Register for DMR**

https://www.radioid.net

2 **Register for D-Star**

http://www.dstargateway.org

Note: My closest Reflector had its own registration page.

3 **Register for Peanut**

http://www.pa7lim.nl/peanut-request/

4 **Install Peanut**

https://software.pa7lim.nl/peanut/STABLE/
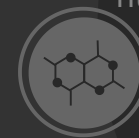

5 **Peanut Setup and First Contact**
